

# Missionaries to Honduras

Mike and Ashley Troxell

August 2014

Vol. 5, Num. 8

During the summer months, our time is spent ministering to the summer teams that serve alongside us as well as the people of La Fe. We enjoy watching God work and move in the lives of our brothers and sisters who return to the States excited about what God is doing in Honduras and are so thankful for the new relationships and depth of relationships that are formed when these teams join us in La Fe.

## Life in La Fe

We have exciting news to share with you! Maria, a young girl who lives in La Fe, asked the Lord to forgive her for her sins and be the Lord of her life this past month! God has done amazing things in Maria's life through our interns, the summer teams that have spent quality time with her, and we are so thankful that the Lord blessed Ashley by allowing her to be the one who prayed with her. Praise the Lord!!

## What's Next

This week we close out summer teams for 2014! As we move forward, we will continue to dig deeper with individuals in La Fe - especially those who are a part of the church plant. Mike will also have the opportunity to increase the time he spends with the 5 Honduran pastors and walk more closely with them as they work to grow churches which are deeply rooted in Christ.
