

Missionaries to Honduras

Mike and Ashley Troxell

January 2014

Vol. 5, Num. 1

Trying to imagine the heat and humidity in Honduras can be quite a challenge while playing in the snow and freezing temperatures of Pennsylvania. We are so thankful to have spent 2 full months in PA enjoying time with family, friends, supporters and supporting church bodies. We especially enjoyed the "Virtual Missions Trip" to Honduras with Zeltenreich Reformed Church. The 25 children loved their trip to Honduras and it was a joy to share some of our lives and God's work with them.

We also spent quality time with the congregations of Trinity Pres. in Harrisburg, and Christ Pres. in Reading. It has been a tremendous encouragement to meet with people who love us and are excited to hear about all that God has done and is doing in Honduras.

What's Next

After 2 months in PA, we will begin 2 months of travel. We will head down to Atlanta where we will "Re-connect" and debrief with other MTW missionaries. After a week there, we will fly to Michigan to receive some guidance to help fill up our tool-box of relational and marriage skills. We will then return to Georgia for MTW to "Launch" us back out to the field - but not before a trip out to Arizona.

Being missionaries puts us on the front lines of God's work in Honduras. We get to see the miracles that He is doing and relay them back to you. You are truly part of Team Honduras. Without your prayers, we know we would be completely and utterly parched spiritually. Without your friendship, words of encouragement, and notes, we would be emotionally wrecked. And without your financial support, we would not be present in Honduras at all.

We would like to invite you to be part of Team Honduras through [prayer](#), encouragement, AND financial commitment. We are planning to return to Honduras as long-term (4-5+ year) missionaries and that requires an additional \$2,500/ mo. Please check out our [website](#) for more information or click [HERE](#) to send a financial gift. You can also call us at (602) 464-4531 at anytime to catch-up or ask us questions.

Life in La Fe

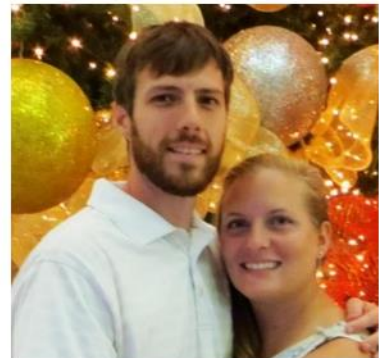

For the last 2 months, we have been in the States but life in La Fe continues. Rainy season has been very wet and for La Fe, a riverside community, this can mean the loss of homes, extra sickness, and other consequences. Please join us in [praying](#) for La Fe and that God would work mightily in the community and draw the people to Himself.

Prayer Support

- The Lord would make the call clear to the people & churches that support us
- Learning & reviving time at the MTW home office
