

Missionaries to Honduras

Mike and Ashley Troxell

March 2014

Vol. 5, Num. 3

On March 13, we officially got accepted with MTW for long-term service in Honduras! We are so thankful for the opportunity to continue serving and for MTW's Launch training where we attended sessions on missionary policies and support raising.

What's Next

We attended our home church, Covenant Community, for the first time in over 3 years! It was refreshing to see many familiar faces as well as observe some of the ways in which God is working in the church body. Our goal is to return to Honduras by May 9th and we are packing our days full of time with supporters, family, and friends. That said, we would love to get together with you! Let us know when and where to meet and we'll do our best to make it happen.

We need you!!

In order to return to Honduras on May 9, we need about \$2,000/mo more pledged by financial partners.

Without these commitments, we will be required to remain in the States to continue raising support. Please check out our [website](#) for more information or click [HERE](#) to send a financial gift. You can also call Mike at (267)443-8874.

Life in La Fe

Team Honduras now has 4 church plants at various stages in the La Ceiba area! On Wednesday, March 26, the 4 Honduran pastors, along with a Honduran church-planting coordinator, will meet together for the first time. This is the beginning of a process of growing these churches into a presbytery! We are thankful for God's work in Honduras and how He continues to grow His church!
