MISSIONARIES TO HONDURAS

LIFE IN LA FE

It is hot and dry here in La Ceiba. The main month of rainy season, January, ended up beautiful and sunny. The impact of that is already being felt as the rivers are down and water rationing has begun. We no longer take water for granted and pray regularly that God would send in the rain.

The river by La Fe has decreased substantially

COMMUNITY UNITY

The leaders of La Fe have been talking about the possibility of constructing a school, a church, and a community center. The dilemma is that the location to build on is currently the soccer field which is the only communal area in La Fe. We are praying that God would unify the people and make it clear to us how He wants us to be involved.

PRAYER SUPPORT

- That God would help us find a truck and purchase it without complication.
- Praise that the children's ministry continues to grow and flourish.
- Rejoice in God's goodness and mercy which is new every morning.
- 6 weeks until summer teams begin serving alongside us.

WHAT'S NEXT?

Ashley's brother, Chris, is visiting us and his arrival could not have come at a better time (as homesickness was a challenge around the Easter holiday). English classes are scheduled to begin Thursday, April 26 and we are hoping that through the classes, we can dig deeper with more individuals in La Fe. Also, we are preparing and planning for summer teams to begin arriving in June.

UPCOMING EVENTS

- Sat, Apr. 21 - Girls swim and lunch with Ash
- Sun, Apr. 22 - Boys soccer game with Mike
- Sat, Jun. 2 - First summer team arrives
- Jun. 16-23 - Visa renewal trip to North Carolina and Pennsylvania
