MISSIONARIES TO HONDURAS

VOL. 2, NO. 12

WE'RE IN HONDURAS!

On Tuesday, December 13 we moved from San Jose, Costa Rica to our new home of La Ceiba, Honduras. We are part of a team that now consists of eight adults and five kids. We are so thankful to finally be in the location where God called us to serve over 2½ years ago. Thank you for sticking with us through the journey so far!!

A PLACE TO LIVE

After arriving in La Ceiba, we looked at several available houses for rent in the city and found one that we both really love. It has 3 bedrooms and several fun nooks and crannies that add character and make it feel more homey. We are currently waiting for the paperwork to come through for us to rent it for the coming months or years.

PRAYER SUPPORT

- That God would make it possible for us to spend Christmas in our home.
- Wisdom and discernment if we will need to purchase a car, and if so, how?
- Our hearts remain content while spending the holiday season apart from our families.
- Clarity as to in which community God would have us minister daily.

Finish Well

Our formal language studies are finished! On Dec. 9, we graduated from language school after studying Spanish for one full year. We both did well on our final exams - Mike achieved an excellent score on the written test and Ashley earned an advanced level on the oral exam. Mike preached (in Spanish!) at the church we attended and it was well received. Praise the Lord for the ability to communicate God's love in the heart language of those to whom we minister.
