MISSIONARIES TO HONDURAS

LIFE IN LA FE

We had a wonderful time celebrating Christ's birth with the families and children in La Fe! We gave each family a Bible and a photo of their family in front of their home. We also had a special time for the children by reading How the Grinch Stole Christmas, singing songs, reading the story of Jesus' birth, and making paper plate Christmas trees!

El Rey Nació

The local church that we attend (Gran Comisión) held a tremendous ministry outreach of a musical titled The King Was Born. We and our intern, Lyssa, took three children from La Fe: Bryan, Vanessa, and Michelle. They were thrilled to go out on the town with us and we all enjoyed the Christmas program. In addition, the Gospel presentation was very clear and we pray that God uses that time to open their hearts more and more to His intimate love and grace.

PRAYER SUPPORT

- Praise the Lord for our new home outside the city!
- Our hearts would focus on Christ during this advent season
- God would provide school supplies for the children of La Fe and other team Honduras ministries

WHAT'S NEXT?

In addition to Christmas celebrations, we have had an eventful month. Lyssa, an intern from California, is now working with us in La Fe! She will be here with us until sometime in August and is growing relationships with some of the younger (10-15 years old) girls of La Fe.

Also, just this past week, we moved to a house just a few miles outside of La Ceiba. It is smaller, rent is lower and it is in a safe neighborhood with a park. We are so thankful that God provided this house for us!
