MISSIONARIES TO HONDURAS

VOL. 4, NO. 6

LIFE IN LA FE

The carnival came to town! We had so much fun taking several groups of children from La Fe to enjoy the rides and food at the passing carnival. It was great to get to know these kiddos outside of their usual environment and enjoy an evening of leisure. Oscar and Reina loved the rides and time with us. Dixi got to go too! A night out like this is something many of these children never get to experience. Their excitement was contagious. It was a new experience for us as well to go on carnival rides in Honduras. :)

5 STAR PRIZE

The past several months, we have been teaching the children of La Fe the [children's shorter catechism](#) and verses that go along with each catechism question. When the children memorize the question and verse, they receive a sticker. When they have 5 stickers, they get a prize. This first round of kiddos who have earned their 5 stickers have been rewarded with a trip to a fast food restaurant of their choice here in La Ceiba. The children are motivated to memorize Scripture and Biblical truths and we, as missionaries, get to enjoy some fun time with them outside of La Fe! We are so thankful that they are learning and memorizing God's Word!

PRAYER SUPPORT

-that the Word of God would penetrate the hearts of the children in La Fe

-that all we do with summer teams would bring glory to God

-for Dixi's heart & for our hearts as we instruct her in His ways

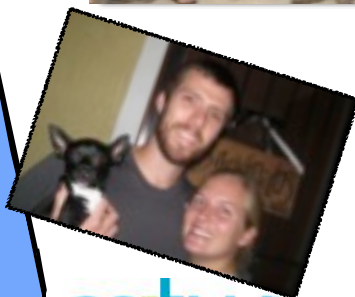

WHAT'S NEXT?

Our first two teams of the summer are here and we are thrilled that they are joining us in ministry this week! On Monday, we had a large clinic in La Fe. We were able to see over 120 people! We are so thankful for outreach opportunities like this on occasion in order to broaden our ministry. Thank you Grace (Mobile, AL) and Trinity (Harrisburg, PA)!
