## MISSIONARIES TO HONDURAS

### LIFE IN LA FE

Over the last month, we have had three special events for some of the kids of La Fe. Ashley took four of the girls to a local pool for an afternoon of fun. Mike took three young boys to a professional soccer game at the local stadium. Just yesterday, Mike took three more boys to play soccer at an indoor soccer field. All of these activities include a special time to share a clear Gospel message.

We are so thankful for our truck!

### TRUCK

Thank you, Lord, for providing us with a good used truck and thank you to our supporting churches that donated the money to buy it! Mike took a trip to San Pedro and found the car the Lord had for us. It was delivered to us a few days later. Already, we have been able to use this truck to take children to and from fun events and help fellow missionaries in times of need. Thank you!

### PRAYER SUPPORT

- Praise! God is showing us more and more how La Fe is HIS community and we get to be part of HIS work.
- Pray for our health as we have 8+ summer teams to care for in the coming months.
- Pray that our trip to the USA in June would be a sweet time with family.

### WHAT'S NEXT?

Summer teams are on their way! In just two short weeks, the first two (of 16) teams arrive. About half of those teams will be working alongside us in La Fe! We are excited to have this help over the next three months and pray that we will have the energy to host them and love them, as well as the Hondurans we serve. We are so thankful for our teammates who will be involved as well. If you or your church body would like to be part of a week-long mission trip to work in La Fe, let us know!
