SEPTEMBER 2012

VOL. 3, NO. 9

## MISSIONARIES TO HONDURAS

### LIFE IN LA FE

During the month of September, both Mike and Ashley began meeting one on one with several teenagers. Some of the meetings are to practice English or help with school work, but in reality they are all to deepen relationships and point to Christ. Mike is actively looking for one or two more young men with whom he can do this.

### A ticket to the Super Heroes Concert Super Heros Concert

The Honduran church we attend held a special concert for Independence Day with the theme of super heros since they just finished a sermon series on 'super heros' of the Bible. We took three of the teenagers that we have been mentoring. They enjoyed the time of worship and fun and also heard a clear gospel presentation. This was a rare treat for these teenagers to get a night out on the town.

### PRAYER SUPPORT

- Pray that our trip to Florida would be encouraging and fruitful.
- Thank the Lord for His continued provision for us and His work in La Fe.
- Pray for wisdom as we continue to disciple young men and women of La Fe.

### WHAT'S NEXT?

On September 20th, we will fly to Florida where we will spend the following ten days. Most of the time we will be at the Wellington Pres. Church mission conference. We are excited to share with this congregation about our call to missions and the ministry in La Fe. This church family has a special place in our hearts because this church's group was the first team of the summer to serve in La Fe.
