

Missionaries to Honduras

Mike and Ashley Troxell

April 2014

Vol. 5, Num. 4

As of today, we have been in the USA for 5 months! We are so thankful to have spent time with so many friends, supporters, and family over the past several months. We are also ready to return home (to Honduras) to continue working with the Presbyterian Church in Honduras as well as be reunited with our teammates and Dixi, our (foster) daughter.

What's Next

Our days in Arizona are filled with contacting and spending time with friends, family and supporters. We continue to actively invite churches and individuals to join our team through financial support as well as praying for and encouraging us regularly. We continue to pray we will be able to return to Honduras on May 9.

In just a few weeks, we will begin hosting summer teams to serve alongside us in La Fe. We are thrilled to have more arms to hold the children, more faces to share smiles, and more hearts to remember and pray for those we have come to love so dearly. Even now we have begun the basic planning and scheduling of these teams and would like to ask for your prayers as we continue to plan from a distance.

Prayer Support

- God provides the financial support so we can return to Honduras May 9!
- We need daily reminders (encouragement) that where we are now (raising support in the States) is right where God wants us.
- Patience with one another as we both long for "home"
