

Missionaries to Honduras

Mike and Ashley Troxell September 2015 Vol. 6, Num. 9

Independence Day in Honduras!

On the 15th of September, it is impossible to drive the streets in the city of La Ceiba. The crowds flock toward the main street where school bands march past with cheerleaders, children modeling native outfits, or in school uniform. This is the primary way to celebrate independence in Honduras and we were able to join in the celebrations this year as Dixi was a cheerleader with a group of girls from her school!

Celebrations Galore!!

This month has been packed full of celebrations! On September 10, Honduras celebrates Children's Day which includes parties, pinatas, and tons of candy. Dixi has an extra-special Children's Day as it is also her birthday! This year Mike and Ashley surprised her in her classroom to celebrate with her classmates and she shared that this birthday has been her best one so far. We also celebrated the birthday of one of Pastor Donald's daughters, Cesia (standing in the doorway in the picture above), who turned 13. Another birthday is coming up on September 27 as Mike will be turning 33!

Dixi Marching in the Independence Day Parade

While celebrating different events this past month, ministry continued as usual - seminary classes, time with scholarship students, discipleship, and Mike was even able to preach for the congregation in La Trejo while Pastor Vicente was out of town. God has been SO good to us and we are extremely thankful to have been given the time to rejoice in all that God continues to do here in La Ceiba. We invite you to celebrate along with us and lift His Name high!

Prayer Support

- Rejoice with us as we rejoice!
- Dixi - growth toward the Lord and security in Him as she moves closer to her teens
- Mike - leadership of our family, discipleship of pastors, and growing of His faith

Mike and Ashley Troxell
(with "daughter", Dixi)
